They continued to close up on them and then opened fire. The Germans did all they could to induce them to desist with out bloodshed, but without avail. They had taken refuge behind some graves while parleying, but as the only response to their entreaties was a general fusilisde from their assailants, and as branches from the trees were falling about them, out off by the bullets or by shots from the coemies gons, they saw that the situation was desperate, and determined to Isel their lives dearly. They were all armed with revelvers, and began returning the fire of their little poise, and gave off almost no smoke, the

foes. As their revolvers made comparatively Chinese set up a shout of derision, and came on more holdly for a little time, until they noticed one and another of their company falling, and then they began to realiss that the foreign revolvers were doing execution, if not making a noise, and they began to give way. The Germans then sprang to their feet, ran toward their . Band. assailants twenty steps, and fulling to the ground. renewed firing. This movement they repeated two or three times when the Chinese turned and fied. In the meantime their servants and barrowmen had scattered and of their six barrowloads of effects all but one barrow-load had been carried off. With this they made for Ichoufu, about 25 miles, on foot, reaching here about sunset, having been followed by their fees all the way, but without suffering from another attack. At the time they themselves did no know how coverely they had punished enemy, but word comes to-day that three Chinese are dead and three others so badl wounded that recovery is not expected. And the missing goods and barrews and men were all brought in by a party of men from

now the strange thing is that this morning that vicinity, who had succeeded in recevering them (with the less of but a few unimportant articles) from the riotors, and brought them at once to the city. Whether they did this from respect, or whether they feared the three plucky Germans would return and destroy their village. I do not know. The Germans, with an escort of cavalry fur-

nished by the native official, are starting back to the seacoast to-day, where the German gunboat Geffon, with the Governor of Taintao-on board, is awaiting their return, and then we have reason to expect that a body of German. soldiers will at once land and murch into the interior here, and attempt to restore order. The expedition had come to Antangwei for this purpose, if it was found on investigation selves to restore peace. They claim that they and volumes of correspondence, our foreshore that the native officials were unable of themsuffer unreasonable pangs of grief:

The audience are also particularly requested pose of permanent occupation, but of course of boundaries, which the Consul assures me will not to show marks of their approbation by of men and, worse still, by lack of support from During the interval, "Buns" will be served the higher officials. In the few cases where have lain in jail for months, and would have Children in arms carrying their parents not been executed long before this but for our representations to our Consul, who has greatly interested himself on their behalf. For some reasons we regret the coming in of the German soldiers here, but there seems to be no other alternative; and as rioting and bloodshed are of almost daily occurrence in this appalling .- Port Hamilton Budget. Their district, and have been for months, and as the native officials cannot or will not do anything to remedy matters, we are unable to do any work in the country, and our lives are in daily danger here in the city, and so we will welcome

brought about. STORM ON THE YANGTSZE.

Shanghai, 4th April: A terrific storm raged on Wednesday over A serious dispute has broken out between Great | the Yangtze valley, the worst being between Hankow and Ichang, causing loss of life and great damage to floating property. During the forenoon a gloomy and threatening sky hung over the district, and early in the afternoon the wind freshened from the north-east, increased rapidly to a gale, and blew itself out soon after midnight. Scores of junks and native This dispute is one of long standing, having cargo and passenger boats were capsized, or wrecked on the mud banks, and large quantities of merchandise and wreckage were seen drift. ing down the river, eagerly waited for by hundreds of boatman in the smoother reaches, that is the shorter ones or those at right-angles to the wind. One large junk capaized close to the Mr. J. Anderson, and proposed that he should Band S. hulk at Hankow, but owing to the be presented with semething which would be a extreme roughness of the water no help could honvenir from an appreciative Company, and be extended. kong Lands after small sales at 5784 and 87 close quieter at the former rate. Hotels remain steady at \$78 to \$79, but without business West Points have found small buyers at \$28, and Humphreys Estates at \$9. COTTON MILLS.—Hongkongs have found buyers at \$85 and close steady at that rate. In the absence of local business in the Shanghai Mills quotations are taken from the last Shange

MIRCELLANEOUS. Green Islands have ruled firmer at \$221 with no sellers. Watsons have changed hands at \$134, \$13.75, and \$14, closing steady at last rate. Ices have found small buyers at \$112, Campbell and Moores at \$11, and Providents at \$9.25 to \$9.40.

THE KIAOOHOW RAILWAY.

Mr. P. Hildsbrand, formerly of the Woosung Railway, was to begin the special survey of the railway from Kiacobow to Weihien on the 22nd alt. The general survey of the line from Tsintag to Chinanfu and back to Ichoufu and Tsintao, was finished four months ago by Mr. H. Hildebrand, the Managing Director of the Railway, and all the general plans for the whole line from Teintac to Chinantu were finished two months ago. The building of the line is to be begun very shortly, and the work will be pushed forward rapidly .- N. O. Daily News.

THE NEW AMOY DOCK COMPANY,

On 25th March the seventh ordinary general meeting of the sharsholders in the above Company was held at the office of Meurs. Lapraid Cass & Co., Amoy. There were present Messes. J. Farrow (Chairman). R. H. Bruce, F. Cats. W. S. Orr (Consulting Committee), T. G. Gove land, J. Anderson (Manager), C. C. Carvalho,

The Secretary read the notice convening the

The Chairman said-Gentlemen, the report has been with you for some days and with your kind permission we will consider it as read As stated, the docking work offered during the year has been unusually small. It is eatlefactory, however, to know that apart from notual dock rent, a fair living can be picked up, to which the increasing launch traffic con tributes a fair share. After a long period and be settled in a few days. By arrangement the original lease is cancelled, and new titles (white deed), &c., are now in our hands; we have parted with some of our water frontage, but have gained a corresponding area partly on reclaimed land. Altogether, we have obtained a clean perpetual lease, against one terminable in 6 years, a yearly rental of 20 taols against \$10 and 30,000 square feet of valuable land with frontage of 75 feet. I am glad to be in a position to say that the first two months of this year show a great improvement on the lat The recent extension to the Dock has been practically tested by the docking of steamer of over 80) feet long and a veuel with over 40 feet beam, leaving ample space in both cases. Turning to the accounts you will have noticed that the reserve fund has increased by the addition of \$10,500; this is socounted for by the disposal of balance of profit realized by the sale of the Kulangsu property after reduction of capital. I am sorry to inform you that chiefly on account of ill-health we are about the lose by relirement our Manager, Mr. the restoration of quiet, no matter by whom J. Anderson, who leaves us about the end of this month. His loss will be greatly felt by us, for to his knowledge, experience, and popularity is largely due the success which has attended the

Company since it was floated. Mr. Black, as engineer possessing first-class testimonials and experience, has been appointed to the post of Manager as Mr. J. Anderson's successor. Be fore moving the adoption of the report I shall be glad to answer any questions in my power. Mr. Anderson asked whether any money had been spent in relation to the land obtained. The Chairman replied that \$1,000 had been spent, of which the Government had practically promised to return \$680.

It was then moved by the Chairman and seconded by Mr. T. G. Gowland that the report and accounts be pasted. Carried unanimously. Mr. W. S. Orr said that he thoroughly andorsed the Chairmen's remarks with regard to

The Chairman seconded Mr. W. S. Orr's proposition, and suggested that Measrs. W. S. boats at the various Chinese life-saving stations | Orr and T. G. Gowland should select the plate

in question. This was carried unanimously. On the motion of Mr. J. Anderson, seconded y the Chairman, Messrs. R. H. Bruce, F. Casa, and W. S. Orr were re-elepted on the Consulting Committee.

Mr. W. H. Wallace was re-appointed and tor on the proposal of Mr. Gowland, seconded by River, which will be the Southern boundary of meeting held at Yokohams on the 10th A vote of the thanks to Chairman concluded the meeting -- Amoy Gaustie.

magazine," Revue des Deux Mondes," dragged he claimed to possess the Holy Graci. It was thus that Copped the poet, Lemaitre the dramatict, and Sorel the historian were caught in the drag net-a melancholy exhibition of ruined reputations. The moment Coppes and Deroulede, at a public meeting in a cofé, fell into each others arms and kissed-nothing culminating agricusty unless sealed with a kiss, even if only of the Lamaroutte type. The poet Copper n that not finished his poetic career. Plato was right to exclude poets from his "Republic." Several academicians and professors at once secoded. Deroulède has alwayabeen a noisy man ; he too is a poet; he, like thousands, volunteered | * to defend his country in 1870; he was severely wounded at Sedan. Then he took to writing ballad pootry for the soldiers, and formed a league of patriots, ostensibly for revenche day. He is now in prison for attempting, single handed with some cigars and violets -- the Bonaparte flower—to bell the cat for a revolution. His patriotic league will be suppressed, and he will be kept locked up till after the Dreyfus decision, and the trials-Zolo, &c.connected therewith, when a general gaol delivery may be expected. The Duc D'Orleans and Louise Michel were-liberated simultaneously from the same prison. If the Senate would elect Mr. Constans as its president from

among the legion of competitors, M. Loubet would have another resolute man at his elbow. The Old Guard of the peace-stany-price party have given a reception evening to Mr. Stead, who has become apparently the commercial traveller for the Czar's good natured idea. about other states disarming. It was a quiet affair. No new common-places were stated, nor could Mr. Stead say when the Czar would help France to win back Alasca -- since the Kaiser will defend that bone with his last prennig and last Pomeranian—and England to uphold her sovereignty of the teas, by Russia ceasing to construct ornicers and placing say Quaker guns, rather than Krupp cannon, in her nort-fortresses. However, being a powerful crowned head, the Canr's project will be read a first time at his Hague Congress while Germany is adding 80 new batteries of artillery to her logious, and a few more corps d'armée. The Muioat affair has oured France of any further altempts at pin-pricking England and the letter found out the secret of utilising her admirals as diplomatists. France follows the disruption of China with great interest, and the penetration of Italy into the flank of the Celestial meribund is proof that European Powers had better carve out their material guarantees in time. The belief that China can be resuscitated grows fainter every day. If a Congress cannot be
